Nottingham Outlaws Photographic Society is a club run by its members for its members. Occasionally, the club will meet away from its club base for e.g. photographic shoots, and these may be indoor or outdoor events. By participating in Nottingham Outlaws meetings and activities, members and guests acknowledge that they do so at their own risk. The club, its committee, and volunteers accept no liability for any personal injury, loss, or damage to property arising from participation in club events, whether caused by negligence or otherwise. Members are responsible for assessing their own fitness, skill level and for their own safety when participating in outdoor events particularly. Members should ensure that they have appropriate clothing, equipment and experience for the activity. Members inviting guests are responsible for ensuring that their guests are aware of and comply with this disclaimer.

**By ticking the box opposite and paying your yearly subscription, you agree to abide by the constitution and any code of conduct for an event, trip or outing, and agrees that the club or its committee members are NOT responsible or in any way liable for any personal injury, property damage, theft or negligence.**
